GPEC Proceedings – CD-ROM

Hello,

The Environmental Division of the Society of Plastics Engineers hosted its annual **Global Plastics Environmental Conference (GPEC™ 2006)** in Atlanta, Georgia on February 28th to March 2nd, 2006.

The GPEC™ 2006 program consisted of a tour of the Mohawk Carpet post consumer PET bottle recycling plant, over 50 technical papers, 2 plenary speakers, 4 student posters, and presentation of Environmental Stewardship awards to 8 deserving organizations. A write up reviewing GPEC™ 2006 and numerous pictures of GPEC™ 2006 are included at the following link:

www.sperecycling.org

If you are interested in having a CD-ROM of the complete GPEC™ 2006 proceedings, please send a check payable to the Environmental Division of SPE to my address listed below. The cost of the GPEC™ 2006 proceedings CD-ROM is \$75 each. CD-ROMs are also available for some of the earlier conferences.

The complete technical programs including abstracts for papers are included at the following:

www.4spe.org/conf/0602gpec.php or

<http://www.sperecycling.org/conferences.htm>

The GPEC™ proceedings will provide valuable information and education to you and your organization.

Sincerely,

Gwen Mathis
